Zephyr Labs Employee Handbook

1. About Zephyr Labs

Zephyr Labs was founded in 2017 in Coimbatore by Meera Raghavan and Arjun Pillai. The company builds low-cost soil moisture sensors for small farms.

As of January 2026, Zephyr Labs employs 84 people across three offices: Coimbatore (headquarters), Pune, and Lisbon.

The company's flagship product is the TerraProbe X2, which retails at 4,200 rupees and has a battery life of 14 months.

2. Leave Policy

Every full-time employee receives 22 days of paid annual leave per calendar year. Unused leave up to 8 days can be carried over to the next year.

Sick leave is separate: 10 days per year, and a medical certificate is required only if the absence exceeds 3 consecutive days.

New parents are entitled to 16 weeks of parental leave, regardless of gender.

3. Remote Work and Equipment

Employees may work remotely up to 3 days per week. Tuesday and Thursday are mandatory in-office days for all teams.

Each new hire receives a laptop and a one-time home-office allowance of 15,000 rupees, claimable within 60 days of joining.

Lost or damaged equipment must be reported to the IT desk within 48 hours.

4. Expense Reimbursement

Domestic travel must be booked through the company portal. Meal expenses during travel are reimbursed up to 1,200 rupees per day.

Claims must be submitted within 30 days of the expense, with original receipts attached.

Claims above 25,000 rupees require approval from the Finance Director, currently Kavya Menon.
